

## Index

Subject	New Ref	Title
<b>Administrative issues</b>	<b>ADM</b>	<b>How and why to use the guides?</b>
Status of Guides	001	Preface and status
Contents	002	Index
Legal framework	003	CDM duties in context
Legislation	003.1	Health and safety legislation to consider
Legal duties	004	What designers should know
Management procedures	005	Preparing practice policies
Advising the Client	006	Client's business
Pre-Construction Information	007	Understanding the challenges
The Construction phase health and safety plan	008	Management of the works: the construction phase plan
The health and safety file	009	Management of post-project information: the health and safety file
<b>Site conditions</b>	<b>SIT</b>	<b>SIT</b>
Asbestos	105	Asbestos survey and management
Lead	106	Lead-based paint survey and management
<b>Ground work</b>	<b>GND</b>	<b>Identifying and managing hazards and risks to all aspects of work in the ground at planning and design stages</b>
Excavations	201	Excavations
<b>Construction methods</b>	<b>CON</b>	<b>Identifying Construction Hazards &amp; Risks associated with the conceptual design</b>
Heavy lifting by hand	301	Manual handling and vibration
	301.1	Manual handling information
Heaving lifting by crane	302.1	Crane information
Acoustic	303	Noise management
Erection techniques	304	Erecting Structures
Steelwork	305	Erecting Steelwork
Temporary structures	306	Temporary works
Working at height	307	Fall prevention by design
Roofing	308	Roof working
Blockwork	309	Concrete blocks
<b>Materials</b>	<b>MAT</b>	<b>Identifying hazards associated with materials and substances</b>
General materials	401	Hazards associated with materials
<b>Maintenance &amp; repair</b>	<b>MTN</b>	<b>Identifying and managing hazards associated with alterations of kind to existing structures</b>
Refurbishment	501	Refurbishment
Suspended access	502	Suspended access
<b>Demolition, dismantling and decommissioning</b>	<b>DEM</b>	<b>Identifying the problems that may occur at the end of life of structures</b>
Demolition, dismantling and decommissioning	601	Demolition, dismantling and decommissioning

Life outside the tick box.
